THE RESTAURANT

The Red Shutter Restaurant seats 50 beside a warm stone fireplace in our wood paneled dining room.

We are proud partners of the Vermont Fresh Network, a local network of small farms and restaurants who trade directly with each other. Our executive chef, Susannah Walker, introduces a new menu each week based on what is available locally, fresh and in-season. All of our dishes are made from scratch with great care and thought.

We also offer a diverse wine and specialty drink menu, selected to pair wonderfully with our menu.

ROOM

The Red Shutter Inn & Tavern includes 9 newly renovated rooms, a full-bar tavern that is open nightly until 11pm, and a fine dining restaurant that specializes in local farm-fresh foods.

“We happened upon the Red Shutter Inn while enduring a horrible snow storm...all in all it, it was a great romantic getaway/post holiday escape that we never planned.”

INN ACCOMODATIONS

The Red Shutter Inn has nine well-appointed guest rooms that are located within two adjoining buildings: the main house and the carriage house. All of our rooms have been renovated and include new luxury pillow-top mattresses, down comforters, and Egyptian cotton linens. Select rooms offer private fireplaces and Jacuzzi bathtubs.

The main house hosts five rooms including our largest suite, the Joseph Courtemanche Suite, which boasts a whirlpool bathtub, a 15 foot balcony, vaulted post and beam ceilings, and a gas fireplace in the large adjoining living room.

The Carriage House hosts four rooms including the Molly Stark Suite, with an oversized Jacuzzi tub, skylight, and a private living room with a gas fireplace. In addition, our large double bed room, Apple Hill, has its own fireplace and includes both a queen and a full-sized bed.

THINGS TO DO

The inn is located in the village of Wilmington where guests have the ability to tour the many shops and galleries on foot.

The inn is located only 8 miles from the Mount Snow ski resort, and 5 miles from Haystack Mountain, both of which also have first-class public golf courses. In addition, many of our guests enjoy hiking in the summer or snow shoeing and cross-country skiing in the Green Mountain National Forest in the winter, which is approximately 8 miles west of the inn.

Within the inn, we have a large fireside lounge adjacent to the tavern that is great for playing games (we offer an expansive selection) or reading. We also offer guests use of our outdoor deck as seasons allow. Complimentary wireless internet is available in the main house, and guests can arrange for in-house massage services.
